

193A—9.5(79GA,ch55) Qualifications for a CPA certificate.

9.5(1) A person who holds in good standing a valid CPA certificate or license from another state shall be deemed qualified for an Iowa CPA certificate if the person satisfies one of the following three conditions:

a. Substantially equivalent state. The licensing standards on education, examination and experience of the state which issued the applicant's CPA certificate or license were, at the time of licensure, comparable or superior to the education, examination and experience requirements of 2001 Iowa Acts, chapter 55, in effect at the time the application is filed in Iowa. The board may accept the determination of substantial equivalency made by the National Association of State Boards of Accountancy or may make an independent determination of substantial equivalency.

b. Individual substantial equivalency. The applicant's individual qualifications on education, examination and experience are comparable or superior to the education, examination and experience requirements of 2001 Iowa Acts, chapter 55, in effect at the time the application is filed in Iowa.

c. "Four-in-ten rule." The applicant satisfies all of the following:

(1) The applicant passed the examination required for issuance of the applicant's certificate or license with grades that would have been passing grades at the time in this state.

(2) The applicant has had at least four years of experience within the ten years immediately preceding the application which occurred after the applicant passed the examination upon which the CPA certificate or license was based and which in the board's opinion is substantially equivalent to that required by 2001 Iowa Acts, chapter 55, section 5(12).

(3) If the applicant's CPA certificate or license was issued more than four years prior to the filing of the application in this state, the applicant has fulfilled the continuing professional education requirements described in 2001 Iowa Acts, chapter 55, section 6(3), and 193A—Chapter 10.

9.5(2) A person who holds in good standing a certificate, license or designation from a foreign authority that is substantially equivalent to an Iowa CPA certificate shall be deemed qualified for an Iowa CPA certificate if the person satisfies all of the provisions of 2001 Iowa Acts, chapter 55, section 19(3). The burden is on the applicant to demonstrate that such certificate, license or foreign designation is in full force and effect and that the requirements for that certificate, license or foreign designation are comparable or superior to those required for a CPA certificate in this state. Original verification from the foreign authority which issued the certificate, license or designation shall be required to demonstrate that such certificate, license or designation is valid and in good standing. If the applicant cannot establish comparable or superior qualifications, the board shall require that the applicant pass the uniform certified public accountant examination designed to test the applicant's knowledge of practice in this state and country. If the applicant is a Canadian Chartered Accountant, Australian Chartered Accountant or Australian Certified Practicing Accountant, the applicant may be required to take the International Uniform CPA Qualification Examination (IQEX) in lieu of the uniform certified public accountant examination.

9.5(3) An applicant seeking an Iowa CPA certificate based on the provisions of 9.5(1) "b," 9.5(1) "c" or 9.5(2) shall submit such supporting information on education, examination or experience as the board deems reasonable to determine whether the applicant qualifies for licensure in Iowa.
